

TUITION AND FEES INFORMATION FOR EACH PROGRAM AREA

Tuition and Fees information is based on Academic Year 2011 (AY 11) costs, as proposed to the SBCCOE on April 14, 2010.

Please note that total credit hours were not available for all award options within a CTE approved program.

*Book costs are calculated by dividing the CDHE recommend books and supplies parameter for financial aid student budgets for one semester by 15 credits per semester and multiplying that by the number of credits required for the program.

**Term length is based on full-time enrollment.

***MCC does not have on-campus housing
