SEMESTER RESIDENCY ORIGINALLY DENIED _____ YEAR _____

RE-PETITION INFORMATION

Residency classification for tuition purposes is governed by Colorado Revised Statutes 23-7-101 et seq. The statute provides that the burden of proving a Colorado domicile rests squarely upon the petitioner. It is the petitioner's responsibility to provide adequate written information and supportive documentation as requested by the registering authority of this institution. The determination of domicile for tuition purposes will be made by the registering authority of this institution on the basis of the written information and supportive documentation supplied with this petition.

1. Document your continued physical presence in Colorado since your original petition or appeal was denied. (rent receipts, notarized letters from landlords, recent lease, etc.): 

From: _____ To: _____

From: _____ To: _____

From: _____ To: _____

2. Document all legal ties made or changed since your last petition (new driver's license, voter registration, tax forms, new employment, property purchased, etc.):
