

Colorado Community College System
Student Survey Summary

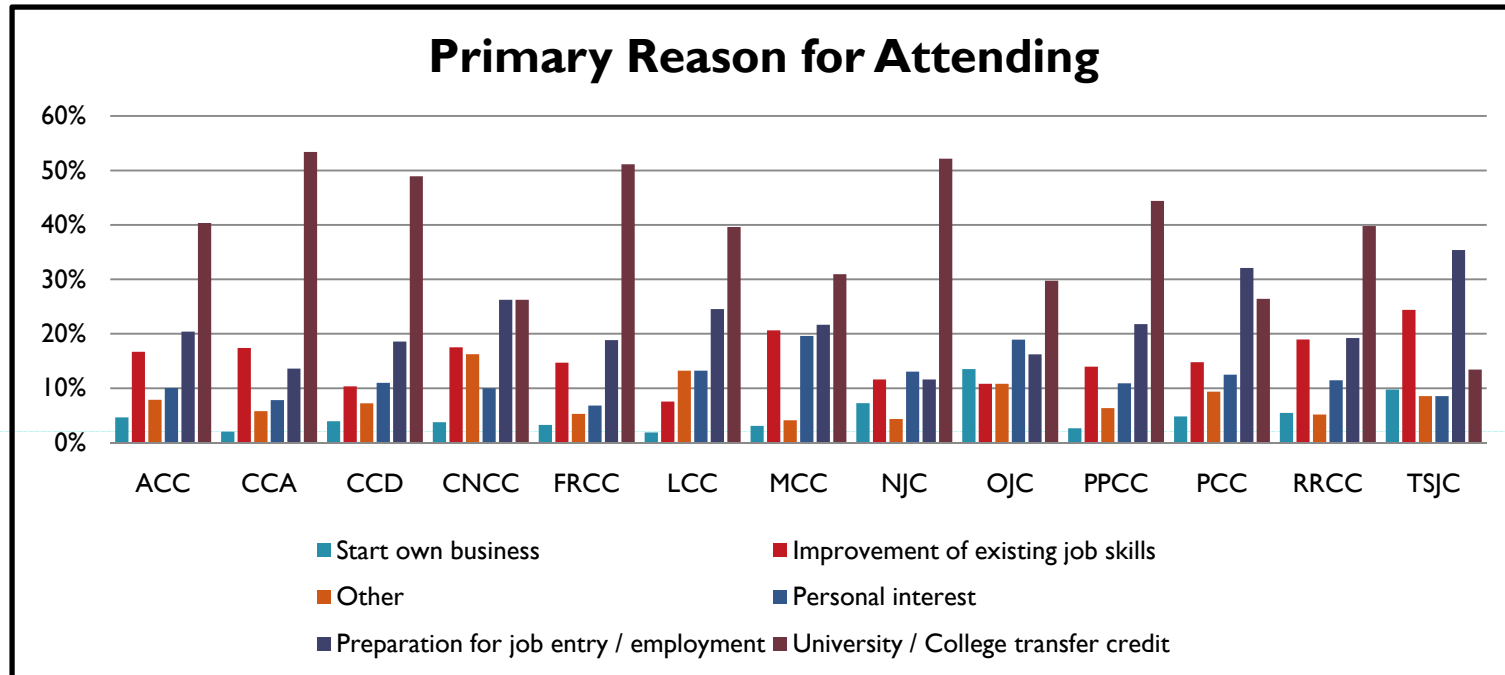

Responses by College
Spring 2010

Respondent Characteristics

- The majority of students indicated they were attending for transfer credit (44%), followed by preparation for job entry.
- 56% of students were employed in some capacity; 35% of students were unemployed, though only 22% were unemployed and looking.
- Of those who are employed, most were employed full time.
- One-third of students were planning on getting an associate's degree for transfer, and an additional 19% were taking courses for transfer.
- 62% of respondents were part-time, and 78% were continuing students.
- Only 13% of respondents indicated that preferred taking classes on weekends. One-third prefer online courses.
- 27% of our respondents indicated they are the first in their family to attend college.
- Equal amounts of respondents (32%) indicated they had a high school diploma or some college before attending the community college.

Colorado Community College System
General Satisfaction Survey

Responses by College
Spring 2010

General Satisfaction Survey Response

General Satisfaction Survey Response Percent of Total Enrollment

Overall results:

- Respondents felt strongly that their college is highly committed to the quality of education – 95% agreed.
- 18% disagreed that their college was committed to customer assistance and satisfaction.
- Over 95% felt their college was committed to students of color and with disabilities.
- Respondents indicated they became aware of their college through family and friends (34%) or by noticing the campus location (26%).
- The programs and courses offered and the low cost of tuition were the biggest influences in student's decision to attend their college.
- Sports and high school partnership were the factors with the least amount of influence.
- Overall, 93% of respondents indicated they were satisfied with their college. 90% would, or already had, recommend their college to friends and family.

My impression is that this college is highly committed to the following:

Colorado Community College System
Instruction Survey

Responses by College
Spring 2010

Instruction Survey Response

Instruction Survey Response Percent of Total Enrollment

Overall results:

- Respondents had overall high opinions of classes – no factor had less than 88% responding with a good or very good opinion.
- Faculty were also very highly rated, particularly in the areas of subject area knowledge; enthusiasm; and fair treatment of students.
- Online classes and Desire2Learn rated favorably, though 21% of respondents had a poor opinion of the interaction with the instructor and other students.

Colorado Community College System
Student Services Survey

Responses by College
Spring 2010

Student Services Survey Response

Student Services Survey Response Percent of Total Enrollment

Overall results:

- Respondents had generally positive opinions of the financial aid office / staff, though 33% disagreed that financial aid awards were announced in a timely manner.
- Admissions and registration / enrollment services staff received positive feedback. The lowest rated area was related to policies, with only 86% of students agreeing that policies and procedures regarding registration were clear.
- Nearly a quarter of respondents (24%) did not agree that cashiers explained the deferred payment plan, though other cashier related areas had predominantly high ratings.

My opinion of the financial aid office / staff in the following areas:

Colorado Community College System
Assessment & Advising Survey

Responses by College
Spring 2010

Assessment & Advising Survey Response

Assessment & Advising Survey Response Percent of Total Enrollment

Overall results:

- Over 90% of students agreed that the assessment process was comfortable; that office hours were adequate; and that there was an appropriate space and environment provided for testing.
- Academic advising processes were generally highly rated, though 19% of respondents disagreed that their advisor was well-informed, and 15% disagreed that their advisor was knowledgeable about program requirements.
