DREAMER students, including undocumented, DACA and ASSET students, may be considered for institutional aid and some forms of State aid at Morgan Community College (MCC). In order to have your eligibility determined, you must submit this form and supply any required documentation. For consideration for scholarships, visit www.morgancc.edu/scholarships.

Important- Use your 2018 IRS federal tax form to complete the income-related items below. DREAMER students should not complete the online FAFSA.

Please note: If you are not classified as a DREAMER student, filling out the FAFSA (regardless of whether or not you think you qualify) is in your best interest. The FAFSA determines your eligibility for federal and state financial aid like loans, work-study and grants. Also, filling out this form DOES NOT guarantee that you will be selected for institutional aid like MCC scholarships.

If you are currently classified as a non-resident for tuition purposes and would like to review your eligibility for Colorado residency so that you may be charged in-state tuition amounts, please see www.morgancc.edu/ASSET or contact the Admissions Office at 970-542-3169. Colorado residents are given priority when awarding institutional aid like scholarships.
