IMPORTANT ADDITIONAL INFORMATION

1. You only have to apply for COF once. You will receive the stipend each term you take eligible undergraduate courses at a college participating in the College Opportunity Fund (COF) and have not exhausted the 145 lifetime credit hours allotted by the state of Colorado when you applied for this state funding.
2. If you signed the Affidavit, you only have to complete it once, even if you transfer to another college.
3. For privacy purposes, the information you provide on the Stipend Application, will only be available to you and the college you are attending. The college, with your authorization, will use this information to match your COF account to information you have provided the college when a request for payment is made on your behalf, and will be used to help you access your account information if you forget your User ID and/or password.
4. Completing this Stipend Application does not guarantee you admission into a Colorado college or university. You must complete the admission process with the college or university you wish to attend in the state of Colorado.
5. Completing this Stipend Application does not make you a Colorado resident, nor does it begin any process to determine Colorado residency. The college or university you attend determines residency. If you have any question about whether you are considered a resident, contact the college or university you wish to attend.
6. Completing this Stipend Application does not automatically make you eligible to receive this state funding. You must meet the requirements listed under the FAQ tab at: <http://cof.college-assist.org>. Your college or university determines your eligibility for this funding based on those requirements.
7. Completing this Stipend Application does not make you eligible for financial aid. You must complete the financial aid process designated by the college or university you wish to attend.
8. Future College Opportunity Fund payments are contingent on an annual appropriation by the Colorado General Assembly.
