

MORGAN

COMMUNITY COLLEGE

2023-2024 EDUCATIONAL GOALS

Student Name (print): _____

S#: _____ Phone#: _____

Email: _____@student.cccs.edu

*Note: Your official MCC email account is the only email MCC will accept for correspondence.
Entire form must be completed in blue or black ink.*

Eligibility for financial aid is determined by your educational goals while attending Morgan Community College. Please complete and return this form so MCC can determine your financial aid eligibility.

1. Have you earned a bachelor's degree? Circle one: Yes / No

- If you answer "No": Make sure your FAFSA reflects this. Log into your FAFSA to correct this answer if necessary.
- If you answer "Yes" and have earned a bachelor's degree, you may only qualify to borrow student loans at MCC. You must meet all other eligibility requirements.

2. What are your educational goals in taking classes at MCC?

SELECT ONE OF THE FOLLOWING:

I plan to earn a degree/certificate from MCC. I understand that certificate programs that are fewer than 16 credits in length are not eligible for financial aid.

According to our records, your current degree/certificate declaration at MCC is:

_____. (If this is not correct or if you wish to make changes, please contact MCC Student Services at 970-542-3167 to complete a Student Records Change form.)

I am attending MCC to complete required prerequisites for the expressed purpose of completing prerequisite coursework to gain admission into a graduate or additional undergraduate program.

Please attach documentation of the classes that are required for entrance into this program. You may be awarded a limited amount of student loans for up to one year.

I am not seeking a degree/certificate. I am taking classes to improve my GPA or for other personal reasons and I do not plan to graduate. You do not qualify to receive most forms of financial aid in this case.
