Student notifications read as follows:

Dear MCC Student,

On December 27, [2020](#), the Coronavirus Response and Relief Supplemental Appropriations Act (CRRSAA) was signed into law. This law authorized a sum of money to provide financial aid grants to assist students with the expenses of college attendance, such as: tuition, food, housing, health care (including mental health care), child care, and other emergency costs that arise due to the COVID-19 pandemic.

You have been awarded a CRRSAA grant. These grant funds will be disbursed to your Bank Mobile student account on Friday, March 12, [2021](#). Your refund will be processed according to your selected refund preference (direct deposit to bank account, mailed check, or bank mobile debit card). Please note that these funds are refunded directly to you, the student, even if there is still a balance due on your MCC account. If you still owe a balance to MCC, you may choose to bring these funds back to MCC and pay your bill, but you are not required to do so. Your balance will still need to be paid. If you have a NBS payment plan, that will stay the same.

Please make sure you have set up your Bank Mobile account to ensure the quickest access to your money. If you have not set up your Bank Mobile account, you can do so by clicking the Bank Mobile icon from the dashboard in the MyMCC student portal. You can also view your CRRSAA award amount in the portal on the “Financial Aid and Payments” tab. If you have any questions, feel free to contact us at financialaid@morgancc.edu.
