The purpose of the Federal and State financial aid programs is to assist students in completing an eligible degree and/or certificate program. Our records indicate you have a Bachelor degree (or higher) and are enrolled in a “transferable degree” program (Associate of Arts, Associate of Science, or Associate of General Studies). Therefore we need to assess your educational goals at MCC. Upon submission of this completed information, the Financial Aid Office will review and determine your financial aid eligibility. Note that students who have completed a Bachelor’s degree or higher are not eligible for the Federal Pell Grant, per the U.S. Department of Education.
